Combined Policy Handbook

leave-1.1 Full-time employees may take up to 20 days of annual leave per year.

leave-1.2 Leave requests longer than 5 days require line manager approval.

leave-1.3 If an employee has less than 90 days of service, annual leave is not permitted unless the HR director approves.

leave-1.4 Leave must be requested at least 14 days in advance.

leave-1.5 If the leave balance is insufficient or the request overlaps a blackout period, the request must be rejected.

leave-2.1 Employees must provide a medical certificate when absent for more than 3 consecutive days.

leave-2.2 Sick leave is never deducted from annual leave.

loan-1.1 Staff may borrow equipment for up to 30 days.

loan-1.2 If the equipment value exceeds 2000 USD, department head approval is required.

loan-1.3 Loans are not permitted for contractors, except when a sponsor employee signs the loan form.

loan-2.1 If equipment is returned more than 7 days late, the borrower is suspended from borrowing for 90 days.

loan-2.2 When equipment is returned damaged and the damage is not caused by normal use, the borrower must pay the repair cost.

sop-1.1 The on-call engineer must acknowledge the alert within 15 minutes.

sop-1.2 The on-call engineer must open an incident ticket and assign a severity.

sop-2.1 If severity is 1 or the outage lasts more than 60 minutes, notify the engineering director.

sop-2.2 After resolution, the incident owner must write a post-incident report within 5 business days.

sop-3.1 Severity 1 means a complete outage of a customer-facing service.

contract-1.1 The Customer shall pay each invoice within 30 days of receipt.

contract-1.2 If payment is late by more than 15 days, the Supplier may suspend the service.

contract-1.3 Late payments accrue interest at 1.5% per month.

contract-2.1 Either party may terminate this Agreement with 60 days written notice.

contract-2.2 The Supplier shall not terminate for convenience during the first 12 months unless the Customer is in material breach.

contract-3.1 Each party must keep the other party's confidential information secret and must not disclose it to third parties.

warranty-1.1 The warranty period is 24 months from the date of purchase.

warranty-1.2 A claim within the warranty period is approved if the defect is a manufacturing defect and proof of purchase is provided.

warranty-1.3 Damage caused by misuse is not covered.

warranty-1.4 If the product has been repaired by an unauthorised party, the warranty is void unless the repair was approved in writing by the manufacturer.

warranty-1.5 Replacement is offered only when repair is not possible within 30 days.

warranty-1.6 Claims over 5,000 USD must be referred to the warranty committee.

procurement-1.1 Purchases up to 1,000 USD may be approved by the department manager.

procurement-1.2 Purchases above 1,000 USD and up to 10,000 USD require approval from the finance director.

procurement-1.3 Purchases above 10,000 USD require approval from the board.

procurement-1.4 A purchase must not be split into smaller orders to avoid an approval threshold.

procurement-1.5 Purchases from a vendor that is not on the approved vendor list must be approved by the procurement head regardless of value.

procurement-1.6 Purchases up to 1,500 USD may be approved by the department manager.

facility-1.1 If the badge is missing or the visitor is unregistered, entry must be denied.

facility-1.2 If the badge is valid and the visitor is escorted by a staff member, entry is permitted.

facility-1.3 If the badge is valid, the visitor is registered, the area is open, and the escort is present, entry may proceed.

facility-1.4 If the badge is valid, the visitor is registered, approve the entry.
